**CTU Teams Up with IP3 to Offer IT Security Seminar**

Colorado Springs, CO -- Information technology professionals and corporate executives facing critical security issues are urged to attend a two-day seminar and workshop offered by IP3 Inc. hosted by Colorado Technical University.

The seminar and workshop will be 8 a.m.-4:30 p.m. Aug. 9-10 at the CTU campus, 4435 N. Chestnut St. in Colorado Springs. Seating is limited, so pre-registration is required. To reserve a seat, call Judy Morrison, (800) 473-5181, or email [Jmorrison@IP3inc.com](mailto:Jmorrison@IP3inc.com). Cost of the seminar and workshop is \$795. Continental breakfast and midday snack will be provided by CTU.

IP3 Inc. is a strategic research and education company with extensive experience in technology sales, marketing, training and seminar development. It's President and CEO, Ken Kousky, will present the seminar sessions, including such topics as:

• Firewalls and perimeter defense	• Wireless deployment
• Internal Theft of Intellectual Property	• Ever-more-invasive Spam
• Crypto Key Management	• Sarbanes-Oxley Compliance
• Securing VoIP	

IP3's vision is to assist individuals and organizations across North America and the world in the assessment of their information technology security needs and provided them with integrated, cost-effective solutions that focus on knowledge, skills and performance.

CTU's curriculum is designed to support today's top careers in computer science/information technology, visual communications, criminal justice, business administration, health science, business/management and engineering/technology. CTU offers day, evening and Saturday classes at its campuses in Denver, Colorado Springs and Sioux Falls, South Dakota, as well as an online campus offering distance learning.

Colorado Technical University has been awarded ISSA 2004 organization of the year. CTU is an institution of higher learning that seeks to provide career-oriented education by teaching applied industry-current programs. CTU offers a wide range of undergraduate, graduate and professional certificate programs with curriculum designed to support today's leading career fields.

Colorado Technical University is accredited by the Higher Learning Commission and is a member of the North Central Association 30 N. LaSalle St., Suite 2400, Chicago, and IL 60602. 312-263-0456 - [www.ncahigherlearningcommission.org](http://www.ncahigherlearningcommission.org). CTU was founded in Colorado Springs in 1965 and has been regionally accredited since 1980.
